ST. LEONARD'S NOW OPEN ALL YEAR ROUND

We are delighted to announce that St. Leonard's Farm Park will now be opening all year round. With the addition of our new covered fun barn and other planned

covered attractions, there's plenty to do and see all year round whatever the weather. We have developed a "High" and "Low" season admission structure to reflect growing customer requests to be able to visit the farm at any time during the year. Our low season admission, from October 1st, at £3.95 per visitor, will include entry to both the farm park AND the new indoor play centre, "Farmer James Fun Barn", a great value for money offer! Please refer to the panel on this newsletter for details of our new opening times and admission prices. Check out the website at www.stleonardsfarm.com for details of autumn and winter Halloween and Nativity week events.

FUN BARN BIRTHDAY PARTIES

From September 2007 you can book children's parties in Farmer James Fun Barn. All the package prices include freshly prepared party food and party bags - all you need to bring is the cake and we'll even cut it up for you! Contact us for details on 01274 598795.
