(Includes having a go at milking "Daisy" our life size model cow in our Autumn&Winter trip.)

- The **Full Farm Tour** is tailored for Key Stage 2 children and above. This is a fully facilitated guided tour around the farm visiting the different animals, where we discuss a range of issues related to animal husbandry and welfare with the children, including our milking parlour where children will learn about the milking process and wider issues related to farming. This tour lasts between 40 and 50 minutes depending on feedback and questions from the group which we encourage!

**Farmer James Fun Barn:** As part of your Spring/Summer visit you can pre book a one hour play session for the children in our brilliant indoor Fun Barn. We are offering the Farm *and* Fun Barn visit at a price of £5.50 per child. If you visit us in the Autumn/Winter, the Fun Barn one hour play session is included FREE in the £3.95 per child Farm visit price. (Children must be supervised by the accompanying adults during these sessions.) Fun Barn sessions are during general opening hours.
